Join Whittemore Peterson Institute for Neuro-Immune Disease (WPI) for a country music inspired evening benefitting scientific discovery and enabling vital treatment for millions worldwide.

WPI is a comprehensive translational research institute located at the University of Nevada, Reno's medical school campus. It is uniquely positioned to serve those with neuro-immune disease (NID). NID refers to a group of complex multi-symptom diseases characterized by acquired dysregulation of both the immune system and nervous system.

For ticket prices and information please call **775-682-8253**
or email **ihyd@wpinstitute.org**

For more information about WPI or NID please visit
wpinstitute.org or **anida.co**
